Read: From the Collector of Bellary, No. Rc. 4208/50 A1 dated 31-3-1950.

REFERENCE:

Submitted to the Government.

2, The certificate of approval granted to Sri A.P. Ramayya of Sandur by the Sandur Government in their order No.3/48 expired on 31-12-48. The applicant applied for its renewal paying the requisite fees under the State rules for the year 1949. Consequent on themerger of the state with the Indian Union the question of renewal of the certificate of approval was pending. The Board invites the attention of the Government to their order Ms.No.4959 (Development) dated 8-10-49 instructing that the provisions of the Sandur Mines Act should be followed by the Collector of Bellary and the Board, until other orders were issued. Subsequently the Government in their Memo. No.122134 J/49-1 dated 15-12-49 ordered that the Mineral Concession Rules, 1949 would apply for the merged state of Sandur also. The applicant has pplied remitting Rs.50/- for the renewal of the certificate of approval for he year 1949-50.

In this connection the Board invites the attention of the Government to Rule 10of Chapter II of the new mining rules wherein it is stated that the certificate of approval may be renewed on payment of a fee of Rs.50/- if the applicantion for its renewal is received withing three months from the date of expiry of the certificate and after the expiry of three months no renewal shall be granted and that an application for a fresh certificate may bemade. Since the certifi ate of approval granted to the applicant by the Sandur Government had expired by 31-12-1948, and his application for enewal has been pending due to the changed conditions in the State, the Board considers that the certificate of approval granted to Sri A.P. Ramayya of Sandur may be renewed for the year 1950. If, however, the Government consider thatthe application should be treated as one for a fresh certificate the difference of Rs.50/- will have to be collected. The Board invites the attention of the Government to its reference L. 1819/50-1 dated 14-4-50 where a similar case of Messrs Gogga Guru Santhiah and Brothers was submitted.

Sir,

Mining--Sandur--Certificate of approval--renewal for 1949.50 application of Sri A.P.Ramayya of Sandur--submitted.

Sri A.P.Ramayya held a certificate of approval granted by Sandur Government for the year 1948. The Validity of the certificate expired by 31.12.1948. He applied for its renewal for the year 1949 under the state rules after paying the requisite fee of Rs.5/- and sent his application through the special Officer, Sandur. The renewal could not be effected under the Madras Mining Manual and the instuctions of the Board were sought for as to the applicability of rules to be enforced in cases of this kind. In B.P. Rs.Mis.NO.23/50 dated 7.1.50 the Board communicated orders of the Government contained in their Memorandum NO.122134-49.F. dated 15.12.1949 according to which the applicant was informed to apply to the Government for the renewal of certificate of approval and prospecting licence in accordance with the mineral concession rules 1949. The applicant has accordingly applied for the years 1949 and 1950. For this renewal he has credited Rs.5 and Rs.45 (inall 50) in chalan NO.35 dated 1.12.1949 and 181 dated 22.2.50 of Sandur treasury as required by rule 10 of the said mineral concession rules 1949. I recommend that the certificate of approval may be renewed. (X) The renewal of the certificate of approval for ✓

In this connection I invite the attention of the Board to my R.F.NO.2934/50.A.1.dated 9.3.50 relating to the application of Goggi Gumasantaiah and Bros of Sandur wherein I have raised a point whether their application has to be treated as a fresh one, as the mining rules in Sandur state were not identical with the Madras Mining rules. It is therefore a question for the consideration if this application should not be treated as an application for a fresh certificate, in which case enhanced fees have to be collected.

The application of A.P.Ramiah together with the following records are enclosed.

(i) Certificate of approval NO.3/48.dated 15.1.48 granted by Sandur Government (to be returned).
(ii) Two chalans one for Rs.5 and another for Rs.45/ credited in Sandur Treasury.
(iii) Memo NO.G.S./I.A.150/49.dated 9.2.1949 to NO. Inal.2/49 dated 11.5.49. issued by the Special Officer Sandur.

Sir,

Subject: Mining - Sandur - Bellary District - Certificate of Approval - Renewal - Requested.

I beg to state that I am holding Certificate of Approval No.3/1948 dated 15th January 1948. This certificate was in force upto 31-12-1948.

I applied for the renewal of the above certificate on the 15th November 1948 i.e. before the expiration of the validity after paying Rs.5/- being the renewalfee as per the State Rules then in force. There was delay in its renewal and it was kept pending. On 9-2-1949, I was informed by the Special Officer i/c State Administration through No.G.P.#I.A.150/1949 that I should make fresh application for the renewal to the Collector of Bellary and the fees I had paid was refunded to me. ~~[illegible]~~ I was asked on the 11th May 1949 to remit the sum of Rs.5/- being the renewal fee for the year 1949 through Memo No.Indl.2-49 and I paid the sum of Rs.5/- on 15-5-49 in Sandur Treasury. I am enclosing copies of the Memos dated 9-2-1949 and 11-5-49 received from the Special Officer, Sandur, for favour of information.

I was informed through Memo.No.2[illegible]/49 dated 9-2-1949 by the Special Officer that I should apply for the renewal of the Certificate of Approval and the prospecting [illegible] to the Government of Madras [illegible] Rules, 1948. A copy of [illegible]

I applied to the Special Officer on 1-12-49 for the renewal of the certificate of approval for the Calendar year 1950 after remitting the renewal fee of Rs.5/- through chalan No.35 dated 1-12-49 in the Sandur Treasury.

As the Mineral Concession Rules of 1949 have been extended to Sandur, and as per Rule 10 thereof, a renewal fee of Rs.50/- has to be paid. So I have remitted the balance of Rs.45/- through chalan No.181 dated 22-2-50.

I have got good experience in the Red Oxide mines, as I have worked in Bellary Taluk for a period of 20 years.

I have complied with the Rules of the State for the year 1949 and as well as Mineral Concession Rules, 1949 in connection with the renewal for the year 1950, I request you to kindly renew my certificate of approval for the years 1949 and 1950 at a very date and enable me to get on with my business.

I am submitting my Certificate of Approval No.3/1948 for favour of renewal at an early date.

I beg to remain,

Sir,

Your most obedient servant,

A P Ramaly

Mine Owner,
Sandur.

pp13-15 CF

The applicant has made his ~~application~~ for renewal in time which was not disposed of on account of changed political conditions and on account of the Mineral Concession Rules coming into force from 25.10.49. and as this is delayed for no fault of the applicant the certificate of Approval may perhaps be renewed for 1950.

Attention is in this connection invited to the notes of Legal at p3N F. of F. below wherein they have agreed in that held that such application should be treated as those for renewals
